

# EXCELLENCE IN LANDSCAPE DESIGN, CONSTRUCTION AND MAINTENANCE

Old Village Landscape has been providing high quality landscape design, construction and maintenance services in the Concord and Acton area since 1998.

## LANDSCAPE PLANNING AND DESIGN

Our design team is lead by an experienced certified Landscape Designer who will properly design and install beautiful landscapes that are environmentally sustainable and will thrive even in the harsh New England climates.

## LANDSCAPE CONSTRUCTION

Our integrated design-build approach allows us to take traditional landscape design and construction services a step further in providing clients with beautiful, long lasting landscapes utilizing the newest materials, methods and technologies.

## PROPERTY AND GARDEN MAINTENANCE

Our full service maintenance team will work with your individual needs to help design a program that works for your particular landscape and will keep your property looking beautiful all year long.

## TREE AND PLANT HEALTH CARE

Our maintenance teams are led by an ISA certified arborist and experienced landscape professionals with strong horticultural knowledge who take great pride in their work and the satisfaction of our clients.
